

Falls Reserve Conservation Area

PARK REGULATIONS

(Ontario Regulation 688/21, made pursuant to the Conservation Authorities Act, R.S.O. 1990,)

There is one basic rule in the Conservation Area: Have respect and consideration for your fellow park patrons and the park environment. The following table lists some of the more common rules enforced in the conservation area. Under the Conservation Authorities Act, the permit holder is responsible for the conduct of all occupants registered under that Permit and could be charged with an offence or immediately evicted from the park at the discretion of Park Officers or any park staff member. The Conservation Authorities Act and other legislation governing rules of conduct can be reviewed at the park Office and on the e-laws website at www.e-laws.gov.on.ca. **Park rules are enforced by the Park Officers and/or any park staff, who have the authority to evict and/or remove anyone from the property who is found in violation of an offence.**
